Go ahead and pinch yourself! You are not dreaming! This immaculately-kept home with a deep, lush, private backyard has the low-low Paramus taxes you have been hoping for. Beautifully maintained with all the amenities you might need...newer hardwood floors downstairs, a fireplace to make things cozy as the winter comes in, multi-zone heat and air conditioning to combat high energy costs and a generator to make sure you stay comfy and safe in bad weather. There's plenty of space for the whole family too including a finished basement, a second-floor den, and a family room that overlooks the gorgeous yard. Use the attached garage for a work shop or car storage - either way, it's heated!
